Tri Valley Urology Medical Group

25495 Medical Center Drive, #204
Murrieta, CA 92562
(951) 698-1901

Our Services

We provide comprehensive adult and pediatric urologic care. Our goal is to provide you with the best and most up-to-date course of treatment. Among our services, we provide:

- Comprehensive cancer care (prostate, kidney, bladder and testicular)
- Laser ablation of the prostate and in-office microwave therapy for BPH
- Urinary incontinence, pelvic floor disorders and female urology
- Cryoablation of the prostate for prostate cancer
- Latest treatments for erectile dysfunction
- Laparoscopic radical and partial nephrectomy and laparoscopic kidney reconstruction
- Sacral nerve implants
- Laser stone surgery and medical stone treatment
- No-scalpel vasectomy and vasectomy reversals
- Pediatric Urology

Why Choose Tri Valley Urology?

Choosing a healthcare provider is one of the most important decisions you can make. You want someone who is caring, knowledgeable and accessible. You are looking for someone willing to take the time to go over all of your options and treat you as a person, not just as a patient. At Tri Valley Urology, we pride ourselves on our outstanding service. We offer a knowledgeable staff, safe and proven procedures, and the latest in medical technology.
